

West Point Parents' Club of Georgia

Dear WPPC-GA Families,

With less than three weeks to re-org week, the WPPC-GA Board is busy preparing for an exciting Academic Year both at West Point and here in Georgia! Congrats to the New Cadets & Cadre slaying the Beast!

I want to thank every parent, sibling, grandparent, and Field Force representative from all West Point classes that came out to attend the Mid-Beast Barbeque. I'd also like to thank Lisa Joiner, author of *The Mom's Guide to Surviving West Point* and Georgia mom for coming out and sharing her wisdom and anecdotes. You truly never leave the Club. Your cadet graduates, but the connection remains. Moments like these encapsulate the essence of the many membership benefits of the Club. New friends and connections are made and in these friendships, in these moments, we walk alongside our cadets and one another. I say it every time we gather – you cannot gain this experience from Facebook groups

and Instagram follows. **If you have not yet joined the Club, you will want to go online ASAP and join.**

Membership is \$80/family/year or \$320/family/4 years. <https://wppc-ga.org/join/>
