Why Join the Board?

WPPCGA is a volunteer 501(c)3 organization that welcomes member involvement. Joining the leadership team provides tangible support for our cadets while developing meaningful relationships with our parents along the way.

As the 2023 WPAOG Distinguished Club of the Year, our Club meets rigorous review of our successes in fulfilling our mission to provide support to cadets, families, and the USMA.

Each new Board member will have a Co-Board Member who will spend the rest of the service in training, educating, and working as a valuable resource to support the incoming Board member. We encourage existing Board Members to take on greater roles to ensure consistent outcomes.

As such, our Board is well versed in life at the Academy and has all the necessary resources to continue the work of the existing board including documentation, email accounts, vendor agreements, and community sponsor contacts.

Without thriving leadership, the Club loses the most valuable asset we have – our members!
