

West Point Parents' Club of Georgia

Dear WPPC-GA Families,

May 4th was a wonderful evening as the Club hosted 75 attendees (maximum capacity!) for our Hail & Farewell at Maggiano's Perimeter. It was so wonderful to share with the incoming class wisdom from our 2024 Parents. 2024 was a Class that lived up to their motto and we are so proud of all our graduates! It was such a blessing to present graduation gifts from the Club to our 2024 parents in attendance. For those families not present, graduation gifts will be arriving in the mail. Our graduation gift this year is a matted, watercolor print of the West Point Chapel. As our newly commissioned 2LTs move forward into the big Army, we wanted to present them with their first piece of art to hang in their new homes, and a special memory of their time at West Point.

While our families hopefully enjoy some downtime during the summer and precious time with their cadets, please keep our cadets in your thoughts and prayers as the move into their summer trainings. The trainings are physically arduous, but we know they will be successful. Please be sure to share your photos from time with your cadets and/or from their field experiences with us so we can feature them. Photos should be sent to Comms@WPPC-GA.org.

The Club has solidified timelines for upcoming events. Please be sure to mark your calendars, plan to attend, and for events requiring an RSVP, please be sure to do so. Some events will have an attendee cut-off my certain dates as headcounts are critical to our budgeting.
