

August 2026

From the desk of WPPC-GA President Holly Capp

Dear West Point Family,

I had so much fun connecting with Plebe parents during the Happy Hour at Westy's on the eve of A-Day (see photo). Standing at the parade the next morning, I was reminded of all the emotions I felt when my daughter was marching two years ago. As parents, we can't help but feel that rush of pride and joy when we spot our child's face in the formation. Meanwhile, the Cadets are often just trying to push through the exhaustion and avoid fainting or messing up. But once they finish and finally reunite with their families, the joy on both sides is unmistakable.

Earlier in the week, I had the privilege of participating in the Leadership Retreat, along with our Vice President, Sandra Stewart. During that event, we met the new Academy leadership team, including the 62nd Superintendent, Lt. General Bartholomees. You can be assured that your cadets have a strong team overseeing their next few years at West Point.

Some other great things happened in August, especially for our Firsties. Enjoy more photos in this edition. Also, keep reading for news about our Club!

Go Army,
Holly
